FOR TENNESSEE CHILDREN AND YOUTH AGES 1-17**

**OVER HALF OF GUNS IN HOMES WITH
CHILDREN ARE **NOT** STORED SAFELY**

70% OF CHILDREN **KNOW WHERE

✓ **Safety Checklist**

Secure all firearms when not in use. Lock them in a safe or use a cable/trigger lock.

Ammunition should be stored separately and firearms should be stored unloaded.

Friends and family should be asked if firearms in the home are secured before a child's playdate or visit.

Educate your child on what to do if they find a gun: Don't touch it, and tell an adult immediately.
